**Lincoln International Multidisciplinary Conference (LIMC) - Lincoln University College,
Nawala & Nugegoda, Sri Lanka.**

Lincoln University College is proudly organizing the Lincoln International Multidisciplinary Conference (LIMC) in collaboration with the Gampaha Wickramarachchi University of Indigenous Medicine, Yakkala, Sri Lanka (GWUIM).

The Organizing Committee of the Lincoln International Multidisciplinary Conference (LIMC) 2024, the Lincoln University College, Sri Lanka, cordially invites researchers, industry experts, authors, academic staff members, and undergraduate/postgraduate students to submit abstracts of their original research work for consideration. If your abstract is accepted, you will have the opportunity to present it at the conference. All accepted abstracts will be published in the Proceedings Book of the LIMC 2024. You can find details about the conference, along with submission instructions, on the Lincoln University College website.

General guidelines for the submission of abstracts to the LIMC 2024:

- i. Abstract should be 450-500 words and be submitted according to the template.
- ii. The author's declaration form should be submitted on or before 30.06.2024.
- iii. The google form for the registration needs to be sent on or before the deadline.

Abstract submissions for both oral and poster presentations are now open. The submissions should cover current research and new processes, under the theme of "Innovation and Sustainable Development". All contributions should be of high quality. During the blind review process, eminent scholars in the respective areas will review the abstracts.

The LIMC conference is a prestigious event organized to provide an excellent international platform for academicians, researchers, industrial participants, and students from around the world to share their research findings with global experts. It will be held on the 25th and 26th of August, 2024, in Colombo, Sri Lanka, and is sponsored by Lincoln University, Malaysia. The conference will feature many invited researchers and renowned speakers from all over the world. At the conference, the awards will be presented for the Best Researcher and the Best Presenter.
