Lincoln International Multidisciplinary Conference (LIMC) - Lincoln Institute of Graduate Studies, 113 Dutugemunu St, Colombo

Lincoln Institute of Graduate Studies is honoured to announce the 2nd Lincoln International Multidisciplinary Conference (LIMC) 2025, in collaboration with the Faculty of Arts, University of Peradeniya, Sri Lanka.

The Organizing Committee of the 2nd Lincoln International Multidisciplinary Conference (LIMC) 2025, of Lincoln University College, Sri Lanka, cordially invites researchers, industry experts, authors, academic staff members and undergraduate / postgraduate students to submit abstracts of their original research work for consideration. Upon acceptance of your abstract, you will have the opportunity to present it at the conference and all accepted abstracts will be published in the Proceedings Book of the LIMC 2025. You can find details about the conference, along with submission instructions, on the [Lincoln Institute of Graduate Studies website](https://www.lincolnigstudies.com).

General guidelines for the submission of abstracts to the LIMC 2025:

- i. The abstract should consist of 250 - 300 words and be submitted according to the guidelines provided.
- ii. The author's declaration form should be submitted on or before 30.05.2025.
- iii. The Google form for the registration needs to be sent on or before the provided deadline.

Abstract submissions are currently open and the submissions should cover current research and new processes, under the theme of "Innovating for a Sustainable Future: Bridging Disciplines, Driving Impact". All submissions must demonstrate a high standard of quality. During the blind review process, eminent scholars in the respective disciplines will review the abstracts submitted.

The LIMC 2025 conference is a prestigious event organized to provide a unique international platform for academicians, researchers, industrial participants and students from around the world to share their research findings with global experts. The conference will be held on the 22nd of August, 2025, in Colombo, Sri Lanka, and will feature many invited researchers and renowned speakers around the world. The **Best Researcher** and the **Best Presenter** will be presented with awards on the day of the conference.
