Lincoln International Multidisciplinary Conference (LIMC) - Lincoln Institute of Graduate Studies, 113 Dutugemunu St, Colombo.

Lincoln Institute of Graduate Studies is proudly organizing the 2nd Lincoln International Multidisciplinary Conference (LIMC) 2025 in collaboration with the Faculty of Arts, University of Peradeniya, Sri Lanka.

The Organizing Committee of the 2nd Lincoln International Multidisciplinary Conference (LIMC) 2025, the Lincoln University College, Sri Lanka, cordially invites researchers, industry experts, authors, academic staff members, and undergraduate/postgraduate students to submit abstracts of their original research work for consideration. If your abstract is accepted, you will have the opportunity to present it at the conference. All accepted abstracts will be published in the Proceedings Book of the LIMC 2025. You can find details about the conference, along with submission instructions, on the Lincoln Institute of Graduate Studies website.

General guidelines for the submission of abstracts to the LIMC 2025:

- i. Abstract should be 250-300 words and be submitted according to the template.
- ii. The author's declaration form should be submitted on or before 30.05.2025.
- iii. The google form for the registration needs to be sent on or before the deadline.

Abstract submissions are now open and the submissions should cover current research and new processes, under the theme of "Innovating for a Sustainable Future: Bridging Disciplines, Driving Impact". All contributions should be of high quality. During the blind review process, eminent scholars in the respective disciplines will review the abstracts.

The LIMC 2025 conference is a prestigious event organized to provide an excellent international platform for academicians, researchers, industrial participants, and students from around the world to share their research findings with global experts. It will be held on the 22nd of August, 2025, in Colombo, Sri Lanka. The conference will feature many invited researchers and renowned speakers around the world. At the conference, the awards will be presented for the Best Researcher and the Best Presenter.
