Lincoln International Multidisciplinary Conference (LIMC)
Lincoln Institute of Graduate Studies, 113 Dutugemunu St, Colombo

Lincoln Institute of Graduate Studies is honoured to announce the 3rd Lincoln International Multidisciplinary Conference (LIMC) 2026, in collaboration with Faculty of Technology, Sabaragamuwa, University of Sri Lanka and London School of Intelligent Computing and Technology (LSICT).

The Organizing Committee of the 3rd Lincoln International Multidisciplinary Conference (LIMC) 2026, of Lincoln University College, Sri Lanka, cordially invites researchers, industry experts, authors, academic staff members and undergraduate / postgraduate students to submit abstracts of their original research work for consideration. Upon acceptance of your abstract, you will have the opportunity to present it at the conference and all accepted abstracts will be published in the Proceedings Book of the LIMC 2026. You can find details about the conference, along with submission instructions, on the <https://lincoln.edu.lk/limc-2026/>

Abstract submissions are currently open and the submissions should cover current research and new processes, under the theme of ***Beyond Boundaries: Rethinking Futures Through Sustainable Solutions***. All submissions must demonstrate a high standard of quality. During the blind review process, eminent scholars in the respective disciplines will review the abstracts submitted.

The LIMC 2026 conference is a prestigious event organized to provide a unique international platform for academicians, researchers, industrial participants and students from around the world to share their research findings with global experts. The **Best Presenter** will be presented with awards on the day of the conference.
